### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

I have seen the Te Waikoropupu Springs. The wonder of them to me is in their pristine beauty - their clarity and purity is absolute and unique. It will take only the slightest contamination to take this away, lost forever. I feel very strongly that there is nothing that could justify even the very slightest risk of this natural treasure being taken from us and future generations.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause
