### Notes

As a Kiwi who owns a cottage at Tata Beach, Golden Bay & who has holidayed in the Bay for over 30 years, my family & I treasure the knowledge that Pupu Springs has some of the worlds purest waters. They are a tremendous asset, not only to Golden Bay, but to all New Zealanders, & need total protection. I respectfully request that all possible means are taken as soon as possible to protect, not only the Springs, but their headwaters & all areas in between, from the known harmful farming & mining activities, including those that are currently seeking approval. This irreplaceable asset is why New Zealand can, & does, advertise itself as " clean & green ". Any activity that can, in any way, adversely affect the purity of the Springs waters, should not ever be permitted. 1Yours faithfully, Warren Islip
