Notes

Te Waikoropupu is a beautiful example of the 'clean green' environment that the land I cherish offers to the world. We cannot keep on degrading our beautiful environment for short term economic gain. We must draw a line in the sand and say 'enough'. The role of humans in Nature isn't to ruin it but to use our wisdom and creativity to enhance the wonder it invokes in us. This is why we travel great distances to experience Nature at its most beautiful. This is why we must protect Te Waikoropupu Springs.
