## **Notes**

My submission: I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

## **Clause**

What is/are your view/s on the application?

## **Position**

Support

## **Notes**

These springs are unique. So many waterways in New Zealand have had their water quality spoilt by increased irrigation and nitrate seepage. Let us not destroy this one. In the longer term tourism will bring in more revenue for this area than increased dairying will. A Water Conservation Order is desperately needed to prevent the degradation of this resource

## **Clause**

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

## **Position**

Grant the order
