Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

Te Waikoropupū Springs are nationally significant with regards to water purity and biodiversity values, so much so that I do not believe these values should be compromised by schemes to increase water consents for irrigation or by issuing gold mining permits up stream. Once resources such as Te Waikoropupū Springs are lost or degraded they are lost or degraded forever.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes
