## Overall Notes:

### Clause

The specific parts of the application that my/our submission relates to are:

### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

I spent 9 days in Golden Bay at the start of this year and was blown away by the beauty of Pupu Springs. I can't believe there is any consideration of taking water from such a pristine place and oppose every move to do so.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment:

### Position

Grant the order

### Notes

### Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?

### Position

I/we do not want to present my/our views at a public hearing
