

Water Conservation Order: Te Waikoropupū Springs and Associated Waterbodies

Submission Reference no: 682

Trevor Andrew Polglase

Submitter Type: Individual

Source: Web Form

Overall Notes:

Clause

The specific parts of the application that my/our submission relates to are:

Notes

To have the Te Waikoropupu Springs protected and recognised. Water clarity/quality through protection of the water catchment and underground systems. No more heavy irrigation allowed.

Clause

What is/are your view/s on the application?

Position

Support

Notes

The Te Waikoropupu Springs are outstanding through water quality/clarity. There should be no more water irrigation allowed until there is absolutely certainty it does not impact on the Springs. I was born and raised in Golden Bay and have always been aware of the special clear water of the Springs. The water cannot be compromised by farming or industry of any kind.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

To give complete protection to the Springs underground systems and water catchment.

Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?

Position

I/we do not want to present my/our views at a public hearing

Notes
