I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and faunal values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. Keeping at least some places in NZ "pure" and clean, especially when our water quality is decreasing at such an alarming rate! Te Waikoropupu springs was a place I visited a lot as a kid, and I want all NZers to have the chance to see it as beautiful as it was when I was a kid.
