Notes

I take lots of foreign tourists to special sights around NZ. I am becoming more aware that my proud, clean, green introduction is getting very tarnished. What is hard for me is when a tourist is aware of the lies and they already know the problems before arrival. We are in charge preserving a small area of land and sea in pristine condition and are doing the opposite.

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
