Notes

I am extremely concerned about the short-term views of organisations who wish to use NZ's natural resources for commercial gains that may have adverse effects. Taonga such as Te Waikoropupu Springs need to be given the utmost protection. New Zealand trades so heavily on it's "clean, green" image, and tourists flock here to experience the natural beauty of places like Te Waikoropupu Springs. It is the right of New Zealanders' to also enjoy, and the responsibility of us now to ensure that it is not lost to future generations.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
