Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

Beside the natural beauty I value the Spring's scientific value, as a rare fairly unspoiled treasure. It can provide a baseline for our efforts regarding other NZ freshwater resources. It is not located where the NZ economy has to make significant concessions, and this spring is of international significance due to its size and clarity. Also tourism should be regulated in the area so that Te Waikoropupu Springs can be enjoyed in a literally unspoiled environment. Thank you.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
