### Notes

I believe that it is critically important to preserve our countries natural beauty and ecosystems for that of future generations. I do not wish to have children grow up in a world without Glaciers, Without Rainforests, Without coral reefs and without Te Waikoropupū Springs. All it takes is one poor judgement call of an individual to steal this natural wonder from the modern world forever. Please vote to preserve and protect the springs, the world more than ever needs a reason to give a shit about the planet. I cant think of anything more distressing than to hear on One News one afternoon that the Te Waikoropupū Springs are no more...
