Clause

What is/are your view/s on the application?

Notes

The Waikoropupu springs are a unique and outstanding national and global asset. As such they, and the surrounding catchment that feed them, must be protected. The local authority, the Tasman District Council, are demonstrably biased toward the narrow commercial interests that consider the Commons theirs as of right. The Waikoropupu springs and catchment must have the protection of a higher authority.

Position

Grant the order

Notes
