### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

When I came to Nelson in 1976 I remember visiting the springs. I also remember a film (probably the National Film Unit's) of divers travelling from the the springs down the river they feed. I would hate them to be compromised by farming. This is extremely shortsighted and there is no way commercial gain should ruin such a unique site.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order
