Notes

My parents first took me to this spot when I was 14 years old on my first trip to the South Island. Late 80s. I was simply in awe of its beauty. I've visited a few times since. I simply want places like this to still exist for my daughter when she grows up. It simply about a legacy for what we leave for our children.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
