Clause

The specific parts of the application that my/our submission relates to are:

Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

It is essential that The Springs are preserved. The Springs are a world class tourist attraction and define New Zealand's beauty. The Springs create a significant economic benefit for the region and New Zealand. The Springs cannot be sacrificed for a relatively short term gain. I believe a majority of New Zealanders will want this wonderful asset to be preserved.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
