### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

I visited the springs this summer and was surprised at their beauty and uniqueness. I didnt really beleive a spring such as this still exists in nz. It is my understanding that a body of water such as this will have a plethora of diverse species that we as a country should ensure we protect. It is culturally important to the local iwi who have my support to ensure the springs get better protection so they can be preserved for future generations.

### Clause
