Notes

This place is a taonga, once it is gone it would be incredibly difficult, if not impossible to get back. We must think of future generations enjoying and experiencing this place and keep it protected to the highest degree. We have lost a lot of amazing places, flora and fauna in New Zealand. We should not lose any more. Keep these springs in pristine condition for all New Zealanders to enjoy and value.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
