### Notes

It is many years since we visited the spectacular Pupu Springs. It was a highlight of our trip around the Nelson area with our young family at the time. It is sad to hear that the springs are under threat from landuse intensification. A Water Conservation Order at least will put some rationale in to any changes of land use, hopefully preventing further deterioration of the water quality. For this reason we support this application for a Water Conservation Order on the Te Waikoropupū Springs and it's catchment.
