Notes

When we visited these Springs a few years ago it was so amazing! The water is so clear. I was slightly disappointed one cannot snorkel or dive in them now which would be awesome but I understand the necessity to preserve these beautiful springs. These crystal clear springs are so unique and they need to be preserved at all costs. It is the duty of all New Zealanders to preserve and protect the Te Waikoropupu Springs as a outstanding natural feature, taonga, for not only ourselves but for our children and grandchildren.
