Notes

I grew up in Golden Bay and visiting the beautiful Te Waikoropupū Springs was one of my favourite short walks. I would hate to think that my children (and there children) would not be able to witness the amazing clarity of the water there in the future. I would hate to see this become another one of those natural wonders that we can only read about, or look at photos of in the future due to our own poor habits and disrespect for the sensitive natural ecosystem that live in.

Clause

Position

Grant the order
