Notes

Our National record on conservation of pure Aquifers & general water quality in NZ is appalling. This is an area of both cultural & spiritual significance to all New Zealanders. It is our duty to protect sites such as this above all financial interests be they private or commercial so that ALL FUTURE GENERATIONS get to experience & benefit from them. We cannot continue to sell off our children's future & our National heritage. Please protect these springs and send a clear message that the Natural Beauty & Wairua of NZ is not for sale & that we will stand up to protect it at all costs. Thank you for being Guardians of our future.
