Notes

I support the application from Ngāti Tama Ki Te Waipounamu Trust and Andrew Yuill for a Water Conservation Order (the Order) for Te Waikoropupū Springs and associated water bodies. I believe that the views and values of Ngati Tama, as Kaitiaki (guardian) of Te Waikoropupū should be respected and they should be entrusted to protect this beautiful spring from further pollution and damage from intensive dairy farming.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Grant the order

Notes

This would be the best outcome to ensure the preservation of this pristine spring for future generations of New Zealanders.

Clause
