Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I have visited these springs and found them a wonderful, clean and peaceful place and I would hate the thought that this beautiful water could be contaminated in any way. With the quality of water in many of our waterways deteriorating it is vital that we keep the springs pristine for all New Zealanders and for tourists. I therefore strongly support the measures discussed above to preserve the catchment.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
