### Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

Please protect this beautiful and unique resource. Having lived in America for a few years, I have seen first hand what a lack of consideration and lack of protection afforded to natural resources can do to waterways. It has truly made me appreciate the ecological and cultural significance of areas such as the Pupu Springs, as well as instilling the responsibility that NZ citizens have to protect these areas for future generations.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause
