Overall Notes:

Clause

The specific parts of the application that my/our submission relates to are:

Notes

National significance. The Waikoropupū Springs are the most unique and pristine spings I've experienced in my life. Including NZ, the U.K., Belgum, Germany, Central America and Southern Africa. Please, please, please do not place the Waikoropupū Springs at risk of any degradation, they are (in my view) internationally significant. I agree with the application values a to j, but feel that their significance transcends 'national importance'.
