Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I lived in Takaka for a few months and visited Pulu Springs. I was astounded to learn about the water quality and the length of time it takes for the water to attain its purity. It would be incredibly shortsighted to put this at risk for what will be relatively short term and narrow gains

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?
