My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. Notes

I have been to Te Waikoropupu Springs several times over my life. Each time I am stunned by the beauty and peace of this unique place. I understand its cultural and spiritual significance to Tangata Whenua. It would be a local and national tragedy for the springs to be contaminated and its ecosystem destroyed. Retention of the purity of this water must become a priority for government on a local and national level. Kia ora.
