Subject: Submission from <https://action.forestandbird.org.nz/tewaikoropupu/>

My submission:

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect:

- the water clarity and purity
- the scientific, ecological and biodiversity values
- habitat for indigenous flora and fauna
- cultural values
- wild, scenic and natural characteristics

My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.
