Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Notes

I can no longer watch as my Country is sold off for miserable profit for the benefit of a very few people.....these springs are a genuine marvel and are sacrosanct to all, not only the Hapu and Tribe in whose region they exist. I would ask the 'panel' that they show some genuine courage and refuse this and all subsequent applications for access to the Springs and their waters .

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
