Notes

Its extremely important that New Zealand makes an effort to preseeve and protect any clean sources of water from pollution from any source We cannot afford to allow any more of New Zealand to become polluted in the pursuit of profit. Its important for this generation and for future generations. It is time those responsible for protecting the environment and its resources did so and stop handing out licenses to do the opposite.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
