Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

though I live on the other side of the globe, I would like to express my support for the application, which to achieve the protection of one of the most valuable natural resources of the planet, clean water. As far as I'm aware of it, there is no shortage of clean drinking water in New-Zealand at the moment. However looking at the global context, this country needs to take leadership in showing how to preserve and protect something as important as clear water.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
