Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I want to point out the damage we are doing to our clean water does not make sense for our tourism industry. We are placing too much importance on the export of food especially dairy products. I want to be able to take my children to these places and I am increasingly becoming concerned that our government and councils are not listening to the community and giving too much weight to business and lobby groups on water. I want clean water over business profit in New Zealand!

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
