Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

Living in the Waikato I see everyday the results of farming and land clearance on the quality of the water in the streams and rivers. It is essential to protect Te Waikoropupu Springs from any degradation before it is too late. That nitrate levels in the main spring have risen is alarming. It is important these pristine springs are protected for future generations

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
