Notes

These springs are unique and show the world our clean green image. By protecting the springs in their natural state we will be able to show the world our amazing natural beauty. Many tourists visit (as well as Kiwis) and are amazed to see such clean, clear water, so lets keep it that way. Once the balance is upset, it will be hard to get it back.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
