Notes

I support a Water Conservation Order to protect the clarity and pristine nature of the Waikoropupu Springs in Golden Bay. I join Forest and Birds in this endeavour, being of both Maori and Pakeha descent I share the cultural and hereditary values pertaining to the preservation of the natural state of all Aotearoa waters. Water, like air, is fundamental to the quality and possibility of all life. It must therefore be treated with the utmost respect and care. All steps must be taken to not only sustain its purity but to restore it to its natural pre-polluted quality.
