Clause

What is/are your view/s on the application?

Position

Oppose (Please provide the reasons why with reference to section 199 and 207 of the RMA)

Notes

Another piece of pristine and culturally important natural landscape seems to be about to suffer for the commercial gain of others. i have to oppose this matter on the grounds that what little remains of NZ's natural beauty needs to be protected from short term gain and long term loss. We may feel as though we are surrounded by natural beauty and endless resources (and compared so some countries we are very lucky indeed) but that makes it all the more essential to protect what remains unsullied. Nature cannot speak for herself - though she has been sending some pretty emphatic semaphore lately! - so we must stand for her.
