Overall Notes:

Clause

The specific parts of the application that my/our submission relates to are:

Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity, the scientific, ecological and biodiversity values, habitat for indigenous flora and fauna, cultural values, wild, scenic and natural characteristics. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

Water is sacred and water is one of the elements needed to survive on our planet. It is unsustainable to make clear, sacred waters vulnerable to pollution. We must protect and honour our waters if we are to help restore balance to our Mother Earth. She has suffered enough. Annette Hanham
