### Notes

My submission: I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Clause

What is/are your view/s on the application?

### Position

Support

### Notes

During my lifetime the quality of NZ's natural environment has visibly declined. Things we used to take for granted are disappearing or gone. It is vital that resource usage is at least sustainable (to the environment) and that rare or unique environments such as the Springs are available to future generations.

### Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

### Position

Grant the order

### Notes

### Clause

Would you like to present your views on this submission to the Special Tribunal at a public hearing?

### Position

I/we do not want to present my/our views at a public hearing
