Notes

Having recently visited Abel Tasman National Park and the Golden Bay area (including Te Waikoropupū Springs), I have seen just how much employment such a small amount of pristine nature has created in the area. Please, lets not further erode what little of this pure New Zealand nature we have left, but instead work to enhance and expand it... both for New Zealanders to enjoy, and for the vast tourism wealth it creates, and will continue to create for generations to come.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Grant the order
