Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

I value the absolutely pure water that springs up from Te Waikoropupu Springs and do not want this water syphoned off for commercial ventures leaving the aquifer at risk of sustainable water for future generations of New Zealanders. It is a place of significant cultural value to the Iwi who are responsible for its protection. It is a place of stunning natural beauty which maybe harmed through the greed of a few money makers.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order
