My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. ### Notes

My parents first took me to these beautiful springs when I was 5 years old. I have been visiting them ever since and taking family members there to see this remarkable purity. I am now 85 years old and am dismayed by the degradation of water purity. Please do all that can be done to stop any further degradation of this pristine natural spring. Yours in hope John Lovell
