I support the Forest & Bird submission to grant the application. My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

### Position

### Notes

Having first visited the springs in 1994 it has always been etched in my memory as an astounding, singly beautiful place. I made the trip with my whānau last year and they also now have the memory of this beautiful place. If it is ruined by short-term gain and the profit of a few that would be criminal. It needs to be preserved for generations to come.

Grant the order
