Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Support

Notes

The gradual destruction of the natural environment by the incremental permitting of activities which erode our environment has to cease. It is dangerous and stupid to consider "each case" on its merits. Each case of application for resource consent must be considered as part of the total despoliation of our environment simply because, obviously, the effect on the environment is cumulative. DON'T ALLOW MORE IRRIGATION. STOP IT NOW. WE MUST HOLD THE ENVIRONMENT IN TRUST FOR FUTURE GENERATIONS. IT IS NOT OURS TO ENDANGER. BE RESPONSIBLE.

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
