Notes

I support the Forest & Bird submission to grant the application. In particular I support measures for the wider catchment which will protect: the water clarity and purity the scientific, ecological and biodiversity values habitat for indigenous flora and fauna cultural values wild, scenic and natural characteristics My submission relates to all of the application. I support the application. I seek that the Special Tribunal recommends granting the order to the Minister of the Environment. I do not want to present my views at the public hearing.

Clause

What is/are your view/s on the application?

Position

Notes

This spring is internationally known, it is sacred to Maori, has unique qualities and is a national treasure. The time is long over due that the world stopped bottling water let alone NZ for a whole range of other reasons. This is merely a \$ driven project that offers no positives sanctioning it would be an abuse of this site. Say NO now and make the spring unavailable to any extraction in perpetuity!

Clause

I/we seek the following recommendation from the Special Tribunal to the Minister for the Environment

Position

Grant the order

Notes

Clause
