(Or person authorised to sign on behalf of person making submission.

Signature not required if you make your submission by electronic means)

Please note that all submissions are made available for public inspection.

State what your submission relates to and if you support, oppose, or want it amended:

(e.g. support rule 'x', or amend policy 'y')

Dave Cockburn Construction Ltd Fully Oppose (PC7 Plan Change)

State what decision you want the Otago Regional Council to make:

(e.g. amend policy 'y' to say....)

Dave Cockburn Construction Ltd believe the policy should be kept as is.

Dave Cockburn Construction Ltd want the plan change to be removed completely.

Give reasons for the decision you want made:

(e.g. I want policy 'y' changed because...)

Dave Cockburn Construction Ltd employees 13 staff locally. At least 65% of our work load is related to farming and agriculture covering all aspects of construction, new homes, staff homes, implement sheds, cattle & sheep yards, wool sheds and other.

I believe 100% that the rule change would affect our business in a negative way in that if the farmers can not contain the current water consent, they will not be in a position to develop and maintain their assets/properties.

Any lending to the farmer would be almost impossible, this leads onto businesses like myself losing a lot of work and laying off staff etc.

I ask that you please consider all of the above for final decision.

Thank you.

Please attach any additional information.
