Do you wish to be heard in support of your submission?

(Being 'heard' means speaking at a hearing)

Yes

If others have made a similar submission, would you consider presenting a joint case with them at a hearing?

Yes

Could you gain an advantage in trade competition from this submission?

No

Are you directly affected by an effect of the plan change that:

- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition

I am

State what your submission relates to and if you support, oppose, or want it amended:

(e.g. support rule 'x', or amend policy 'y')

my submission relates to Plan Change 7 to be heard in the Environment court I oppose the plan change in its entirety

State what decision you want the Otago Regional Council to make:

(e.g. amend policy 'y' to say....)

orc should allow for replacement deemed permits to be for a full term of 35 years

Give reasons for the decision you want made:

(e.g. I want policy 'y' changed because...)

this decision will have massive financial implications for us farmers if a 6 year term is imposed. we need certainty that our water is secure for a long period of time to allow justification of capital investment on development etc
