- a) adversely affects the environment; and
- b) does not relate to trade competition or the effects of trade competition

I am

**State what your submission relates to and if you support, oppose, or want it amended:**

*(e.g. support rule 'x', or amend policy 'y')*

I oppose.

**State what decision you want the Otago Regional Council to make:**

*(e.g. amend policy 'y' to say....)*

Amend policy

**Give reasons for the decision you want made:**

*(e.g. I want policy 'y' changed because...)*

I oppose policy as it will cost prohibitive for hobby miners as myself to carry on mining with their families & friends . It is not about making money (As I never have) but getting out in the fresh air and having some fun. There is no impact on the river as silt settles very quickly and after the next flood you can't see where you have been. Regards Murray Brown
