

Permit to Import Asbestos-containing Product

Under clause 5 of the Imports and Exports (Asbestos-containing Products) Prohibition Order 2016.

Customs Number:	████████████████████
Permit holder's legal name:	International Accreditation New Zealand (IANZ)
Date of issue:	25 September 2019
Date of expiry:	25 September 2020

Permit to import

A permit to import the goods listed below is issued under clause 5 of the Imports and Exports (Asbestos-containing Products) Prohibition Order 2016.

- Asbestos-containing samples for proficiency testing, not exceeding 9.6 kg in total.

Conditions

1. The goods listed above may only be imported for use within an IANZ-accredited laboratory or a laboratory that is listed on the Approved Laboratory Register on the WorkSafe New Zealand website.
2. The permit holder must record the quantities imported in each shipment and must make this information available to the Environmental Protection Authority upon request.
3. The permit holder must record all the laboratories receiving the goods listed above, including quantities, and must make this information available to the Environmental Protection Authority upon request.
4. All samples must be securely held within the laboratory until disposal, and must be disposed of at a site which is consented to accept asbestos waste.
5. The permit holder must ensure that all laboratories receiving the goods listed above are aware of the conditions of this permit.
