### NOTICE OF CONSENT APPLICATION BY PRIME PROPERTY GROUP LIMITED – MOLESWORTH STREET OFFICE DEVELOPMENT

Response to invitation to comment under the Covid-19 Recovery (Fast-Track Consenting) Act 2020

Thank you for the opportunity to comment.

The Port Nicholson Block Settlement Trust (the Trust) is the landowner of the National Library at , Thorndon, Wellington. The Trust acquired ownership of the adjoining land through its treaty settlement with the Crown.

We have reviewed the application and its attachments, including the Cultural Impacts Assessment which we support.

Given the rich cultural history attached to the land upon which the development is proposed, the Trust seeks to ensure that the mana of Pipitea Pā, which has been significantly restored, is retained for future generations. This could be achieved as follows:

- By displaying pou whenua / other cultural structures and artwork to represent Mana Whenua; and
- Installing information posts / signage to inform the public of the cultural history of the site.

The Trust would be willing to assist with the matters listed above, including appropriate displays to be used and their placement. The Trust would also seek to ensure that any information or signage is consistent with the history of Pipitea Pā as it has been captured by the Cultural Impacts Assessment.

We look forward to reviewing the draft set of conditions.

Ngā mihi,
